## School Vision Statement

*St Mary's Primary School, as part of the Goldfields community, draws on the Spirit of the past and the gifts of the present as we share our Catholic Faith. The Christian values of trust, respect and love for God and one another are nurtured within the whole person as they grow to their fullest potential. Our school endeavours to create a learning environment that will enable students to meet the challenges of the future.*

### From the Principal's desk

Dear Parents and Caregivers,

#### *Welcome*

Welcome back to Term Three. The children all seem happy to be back with their friends despite the rainy weather. A warm welcome to the new families that have commenced this term at St Mary's. We hope you will soon feel part of the St Mary's Community. We also welcome two new Staff members for Semester Two. Miss Anisha Pretorios is teaching in Year Five and Mrs Kristy Coyle is assisting Mrs Tait in Year One.

#### *Visitors to St Mary's*

This Thursday at St Mary's we will be hosting the Leadership Teams from St Joseph's Boulder, John Paul College, St Joseph's Southern Cross, St Mary's Merredin and Our Lady Star of the Sea in Esperance known as the GEMS network. Representatives from Catholic Education WA will be leading the visitors in Professional Learning. They will also be having a tour of our beautiful school.

#### *Swimming Fees*

Thank you to everyone who has managed to organise their swimming forms and payment so promptly. This is a huge effort, and we now only have a few families who have forms and payments outstanding. Learning to swim is part of the School Curriculum and such an important life skill. Thank you to Mrs Miller and Mrs Osmetti for co-ordinating the process.

#### *Pick Up Lanes*

Just a reminder that the road at the front of the school is a queuing lane in the afternoon leading in through the gates to the front pick up point. The children need to wait in the supervised area in the carpark. They are not allowed to wait on the roadside for safety reasons. Also, it stops the flow of traffic in the queuing lane.

*Please do not park in front of the school office between 3.00pm-3.30pm as it causes great difficulty to the flow through lane.*

#### *Jump Jam*

Jump Jam is held on Tuesday, Wednesday and Thursday in the Undercover Area. The time has been changed to 8.30am. The majority of children are at School by 8.30am where previously classroom doors were opened so the decision was made to move Jump Jam to the earlier time to maximise learning in our core subjects which will now start promptly at 8.45am.

#### *Interschool Cross Country*

The Interschool Cross Country team are training very hard in preparation for the Interschool Cross Country Carnival on Friday the 30th July. We wish them every success and thank Miss Ellis for all her hard work and dedication to the team.

God Bless,

Elizabeth Browner Principal

### **MANDATE LETTER- CHALLENGES TO INTEGRATING FAITH AND LIFE**

Most importantly, the split between faith and life, rather than their integration, weakens people's ability to see the relationship between the Christian Message and the deeper questionings and yearnings in the human heart. This leads to difficulty in understanding what it means to say that those who have received Baptism share in the 'new life' in Christ.

Over the next five Sundays the church will read from John's gospel. Today we read about the miracle of the loaves and the fishes. It is a story which helps us to understand more about the eucharist. It also reminds us that many in our world are without food.

### **GOSPEL**

Listen to the Gospel according to John  
6:5 -13

When Jesus saw the large crowd coming toward him, he asked Philip, "Where will we get enough food to feed all these people?" Philip answered, "Don't you know that it would take almost a year's wages just to buy only a little bread for each of these people?" Andrew spoke up and said, "There is a boy here who has five small loaves of barley bread and two fish. But what good it that with all these people?" Jesus took the bread in his hands and gave thanks to God. Then he passed the bread to the people, and he did the same with the fish, until everyone had plenty to eat. The people ate all they wanted and Jesus told his disciples to gather up all the leftovers, so that nothing would be wasted.

The Gospel of the Lord.

### **PRAYER**

Loving God,  
We thank you for food  
and nourishment.  
Show us how to share  
what we have been given  
and to be your generous disciples.  
We ask this through Christ our Lord.

Amen
